

# VOTE ROADNIGHT

## **My Objectives:**

To explore ways in which the union can provide a wider variety of entertainment - to cover different types of music genres.

Examine cost effective measures to improve the day to day running of the union, and to find ways to utilise the union building to its full capacity.

To ensure students are fully aware of the services provided by the union and to make sure that the services provided are value for money.

Support the Welfare and International Officer in looking for ways to integrate home students with international students.

To promote and fully support the campaigns and involvement officer with campaigns such as “Healthy living week” and “Fairtrade fortnight”.

## **My Involvement so far:**

- 3<sup>rd</sup> Year Economics Student
- Economics Society Member 05/06 06/07
- Economics Society Social Sec 07/08
