

Jemma Mitchell: Union Council Officer

Manifesto

I'm Jemma Mitchell, a first year Ancient History and Archaeology student. I live at Beaumont Hall in the Oadby Student Village and also work as a Student Ambassador.

If elected as Union Council Officer (Open Seat) I will fight to get

- A better safety bus service to save people standing in the cold for up to 40minutes.
- I will continue to work with the Union on their 'Don't lift the cap' campaign, as an increase in tuition fees is frankly ridiculous.
- I will help to raise awareness of drink spiking, and the amount of theft that has been taking place in the union this term.
- And finally, I will try to introduce more themed nights at the union, such as the recent Varsity promotions, which included a bucking bronco and the knock out challenge.

I'm dedicated, outspoken and determined to make a difference.

So, Vote Mitchell
