## Union council officer

- ❖ A Leicester University Chart - Students vote for their favourite tunes and this is published in the Union, possibly in the Ripple, and played on LUSH Radio once a week.
- ❖ LUSH Radio playing in the Union on a speaker system so that we can listen whilst we're on campus.
- ❖ More involvement with Personal Tutors – They write our references! I propose that we meet with them at least once every 3 months and not only when we have a problem.
- ❖ Huge Game Shows in the Union. For example, Blind Date, where we would make it into an event and send the lucky couple on a free date / meal. Deal or No Deal where we would set it up like the real deal and award cash prizes (slightly smaller than the actual amounts used).
- ❖ Drinks Deals for our winning Sports Teams in the Union bars, not that they need an incentive to do well!

I will bring a great deal of commitment to the role. I will dedicate myself to working for everyone at the university by listening and bringing people's ideas to the attention of the union council. Vote for me and I will do everything in my ability to share what you want for the university and make it a reality.

Thank you
